2017 "GOODIE" Schedule

Here are the assignments for 2017, excluding those who normally do not attend meetings on a regular basis.

If you cannot accommodate this schedule, then **it will be your responsibility to "volunteer"/coerce another member to take your place.** Don't say you weren't warned.

And, if you feel 'The Call' (and aren't on this list), please call one of the unfortunate souls on the list or the 'Standby' and offer to take their place.

JANUARY	Eberhardt
FEBRUARY	Martinez
MARCH	Vanderbeek
APRIL	Peterson
MAY	Leopold
JUNE	Lewis
JULY	Cutler
AUGUST	Gurney
SEPTEMBER	Henry Smith
OCTOBER	Saso
NOVEMBER	Sargent
DECEMBER	Dowling

Standby: Eberhardt

FEBRUARY 23, 2017 MINUTES

Call to Order: President Ken **Martinez**: 7:00 P.M.

Members present: 14

Guests present: none

Approval of minutes: NIA

Reports:

Treasurer's report: Lescher **Dowling** We are solvent!

Membership report: Lescher **Dowling** L5, R28, A13, Total 46

Competition Report: Dave **Lewis**: Nothing to report.

A) Discussion : 2017 Contest Dates: Bill **Copeland**

1) Sam 30 can't continue to try to run a two day contest. Therefore the contest on June 3 & 4 will be changed to a Fun Fly on June 3

2) Editors Input: Bill **Copeland**: Bill shared input on feeling over whelmed at this time of life and is looking for ways to simplify. He has been reducing obligations and trying not to incur more. It is a very frustrating thing!

Unfinished Business:

A) **Proposed Electric Classes A,B and C**: Brian **Sargent**: Could not attend due to weather!

B) **Annual Banquet**: **Gurney**: 24 in attendance for 2016. Socialization is excellent but tends to end when dinner is served.

C) **Build/Fly Project**: **Copeland**: Bill has 18 candi dates! He plans to separately publish a list, with descriptions and possible vendors of kits. He intends to separately publish a list, with descriptions and possible vendors of kits. He anticipates that we will each vote for our four favorites in descending order. This will give us a good picture of the interest! He wants it to create interest to build and enjoy our hobby!

New Business:

A) **Discuss Banquet format for 2017 event**: It was suggested that we have a Slide show of our activities to view while socializing.

Program: Walt **Gurney** presented a You Tube video of a Gillows Aeronca Kit converting it from rubber to electric. I believe it was his first effort and a bit crude, but interesting. Walt also showed an airplane he built 30 years ago. A 54" Taylorcraft from a Comet kit that he would like to convert from rubber to electric.

Show and Tell: Lescher **Dowling** brought a autogiro kit from the 40's with a Brown Jr engine on the plans. He had picked up the kit at the club and found the plans on the internet.

Adjournment: 9:00 PM (past our bedtime)

Respectfully Submitted Sect, Alan **Peterson**

Refreshments: Courtesy of: Ken **Martinez**

Coffee by: SAM 21 Courtesy of Bill **Copeland**

Next meeting: 3/23/2017 at: 7:00 p.m.

... From The February Meeting

... nutti'n ?

Apologies

C'mon guys...

... Notes From The Right Seat

Greetings:

This has turned out to be a really interesting issue - even though it is somewhat late again...

First, it announces the initial element in the 2017/18 One Design, Build/Fly project by providing the means for all to mark their ballot for their favorites among the 19 models nominated. There are some great choices and we hope all of you will participate, (see pages 6 and 7)

Second: we announce the inclusion of an Altitude Limited Old Timer event in the 2017 SAM Champs list of events. We are into putting a major effort into promoting this event as we are passionate proponents of the idea....

The ALOT event is scheduled for Friday, October 27th.

Third; My apologies to V.P. Tom Faith for my being unable to include his picture gallery of the 2016 Banquet as promised in the February issue.

Due to my failure to satisfactorily complete the electronic transfer of Tom's great pics, they are unavailable at this issue. Hopefully we can get that straightened out in time for them to be included in the April issue. My bad!

That's all for this time...

AMA 27944 ...Over and Out

ALOT

ALOT or Altitude Limited Old Timer special event may be flown either day. Any ship with any engine or electric motor which can be shut down by radio may participate. Access to RX is needed if you need to borrow one of the altitude shutoff units.

SCHEDULE: Registration opens 8:00 AM each day. Pilots meet 8:30 AM each day. Flying begins immediately after. Last flight up by 4 P.M. Saturday. 7:00 P.M. Sunday.

AWARDS everyone gets a commemorative plaque for all events. Also, stand-up perpetual trophies for the following events: The Don Barrick Memorial trophy goes to the O/T Glider winner. The Templeton Doig Memorial goes to the 1/2A Texaco winner. The Templeton trophy sponsored by Charlie Applebaum goes to the Texaco winner. And the sweepstakes award for the most points gathered in all events flown.

ENTRY FEES: \$8 per event, \$38 maximum when paid at initial entry.

NOON BREAK SATURDAY for lunch and to fly OT gliders. There'll be an on-field lunch served for a mere \$5

SATURDAY BANQUET at the Rocket Shop Café at the Bakersfield Municipal Airport, 7:00 P.M.

Contest Director:

samrcflier@verizon.net

Our host club is the Greenfield Fliers, located just south of Bakersfield. It's AMA club #4741 if you'd like to look them up on the AMA website. One club rule which will be strictly enforced is that no alcoholic beverages of any kind be brought on the field, even in a cooler. The field gate will be open about noon Friday for test or fun flying and overnight dry camping.

that's this coming Saturday!

The 2017/2018 One Design, Build/Fly Project Model Selection

Welcome to the first official action of the 2917/2018 One Design, Build/Fly Project...

To the right can be found your copy of the official ballot for your choice of the design to be selected for the 2017/2018 One Design/Build model.

Keep in mind as you are making your selection, remember that **building** is a major part of the event to encourage those who may be new to actually **building** a model. Consider the apparent complexity of your choices...

Also remember that this is an "Old Timer" project and give some extra consideration of the "Old Timer" style. Most of the nominees can readily qualify, but some more than others.

For those participants who may not be familiar with SAM style models an effort has been made to provide some sort of illustration for as many of the eligible designs as possible but not all are represented. (see page 7 opposite)

If you would like to find a representation of a model you are interested in and don't find a graphic of that design. contact the below and every effort will be made to furnish what might be found - Can't promise success....

After you have marked your ballot, Snail mail or scan and send as a .jpeg or pdf to:

Brian Chan

113 Starlite Drive
San Mateo, CA 94402
or to; eajbrian@gmail.com

**The closing date for your ballot to reach
the above address is April 15th, 2017**

(You can do your taxes later...)

Questions? Call Brian at: 650-867-8813
